

Table of Contents

You can quickly access sections or chapters in your EPUB materials by using the table of contents feature. To access the table of contents in your EPUB, toggle the reading mode icon off. Once turned off, the table of contents icon will appear in the left navigation menu.

Click the icon to reveal the Table of Contents. **Note:** The Table of Contents cannot be edited in the EPUB reader. The Table of Contents list will appear as it is created in the original EPUB file.

You may quickly navigate to sections in your EPUB by clicking on the Table of Contents titles.

When you are ready to continue reading your EPUB materials, click the Table Of Contents icon  or the black tab located to the right of the Table Of Contents menu to collapse it out of view.
